BOARD PROCEEDINGS • Wright County Board of Supervisors • June 26, 2023

Wright County
Board of Supervisors
June 26, 2023

Chairman Kluss called the regular meeting of the Wright County Board of Supervisors to order at 9:00 a.m. Members present were Kluss, Rasmussen, and Helgevoid. Motion by Rasmussen and seconded by Helgevoid to approve the tentative agenda. Motion carries. Minutes of the previous regular meeting of June 19, 2023 were read and approved with corrections. Approved claims for payment. In open forum, Bob Ritter spoke about the Summit Carbon Solutions Pipeline. Motion by Helgevoid and seconded by Rasmussen to increase the Medical Examiner case fee from \$265 to \$300 per case plus mileage at the IRS rate. Motion carries. Motion by Rasmussen and seconded by Helgevoid to appoint Jon Nissen, EMT, and Katie Schlichting, Paramedic, as Medical Examiner Investigators (MEI). Motion carries. Adam Clemons, Wright County Engineer, presented Resolution

2023-28. Motion by Rasmussen and seconded by Helgevoid to approve Resolution 2023-28 for Bridge #173 Embargo. By roll call vote: Ayes – Kluss, Rasmussen, and Helgevoid; nays – none. Resolution 2023-28 duly passes and reads as follows:
**RESOLUTION 2023-28
BRIDGE #173 EMBARGO**
WHEREAS: The Board of Supervisors is empowered under authority of Sections 321.236 Sub. (8), 321.255 and 321.471 to 321.473 to prohibit the operation of vehicles or impose limitations as to the weight thereof on designated highways or highway structures under their jurisdiction, and
WHEREAS: The Wright County Engineer has caused to be completed the Structure Inventory and Appraisal of certain Wright County bridges in accordance with the National Bridge Inspection Standards and it has been determined that an adjustment of the bridges load restrictions is needed to allow for correct operating stresses.
NOW, THEREFORE, BE IT RE-

SOLVED by the Wright County Board of Supervisors that:
FHWA No. 358911 (Local Bridge #173) on 120th Street over West Otter Creek in Section 17, T-93N, R-25W, Norway Township is now Open and posted at 12 ton, 18 ton, and 21 ton.
Passed and approved this 26th day of June 2023.
Clemons gave an update on the Secondary Roads. There were 26 work orders completed last week. Mowing of the granular routes is still in progress. Mowing of the hard surface routes is in progress with Zone 3 being 100% complete and Zone 2 being 50% complete. Year 3 scheduled gravel is 37.3% complete with 47 of 126 segments completed. Bridge #173 is now open after replacing the pile cap located in Section 17 of Norway Township. Construction on R75 is continuing with one half of the bridge approaches to the interstate being poured. Crack sealing is complete on C54, R75 and R33/R35.
Motion by Helgevoid and seconded by Rasmussen to approve the

transfer from General Basic end Department 51 to Capital Projects in the amount of \$100,000. Motion carries.
Motion by Helgevoid and seconded by Rasmussen to approve the application for renewal Public Water Supply Operation Permit and have the chairman sign. Motion carries.
Motion by Helgevoid and seconded by Rasmussen to approve the Certificate of Appointment of Civil Process Server for Carlie Arens. Motion carries.
Motion by Helgevoid and seconded by Kluss to appoint Supervisor Kluss and Supervisor Rasmussen to cash count for fiscal year end on Monday, July 3, 2023 at 8:00 a.m. Motion carries with Rasmussen opposing.
Motion by Helgevoid and seconded by Rasmussen to adjourn the meeting. Motion carries.
Dean Kluss, Chairman
Wright County
Board of Supervisors
Betty Ellis, Wright County Auditor

PUBLIC HEARING NOTICE
Proposed Ordinance No. 66

NOTICE OF PUBLIC HEARING
ON PROPOSED ORDINANCE
NO. 66 THAT WOULD REPEAL
AND REPLACE WRIGHT COUNTY
ORDINANCE NO. 18, AND ENACT
A NEW RIGHT-OF-WAY CONTROL
ORDINANCE

The Board of Supervisors of Wright County, State of Iowa, will hold a public hearing before itself at its meeting which commences at 10:00 A.M. on July 17, 2023 in the Board Chambers, County Courthouse, 115 North Main Street, Clarion, Iowa, to receive public comments on a proposed Ordinance No. 66 repealing and amending Wright County Ordinance No. 18, An Ordinance to Protect and Regulate Secondary Road Right-of-Way, and

enacting a new right-of-way control ordinance to regulate certain occupancies and uses of County right-of-way within Wright County, Iowa.
A copy of the proposed Ordinance No. 66 is on file for public inspection in the office of the County Auditor, County Courthouse, 115 North Main Street, Clarion, Iowa.
Any person or organization desiring to be heard shall be afforded such an opportunity at this public hearing.
This notice is given by order of the Board of Supervisors of Wright County, State of Iowa.
Dated this 3rd day of July, 2023.
Betty Ellis
County Auditor,
Wright County, State of Iowa

PUBLIC NOTICE • Summary of Proposed Ordinance No. 66

SUMMARY OF PROPOSED ORDINANCE NO. 66, AN ORDINANCE REPEALING AND REPLACING WRIGHT COUNTY ORDINANCE NO. 18, AN ORDINANCE TO PROTECT AND REGULATE SECONDARY ROAD RIGHT-OF-WAY, AND ENACTING A NEW RIGHT-OF-WAY CONTROL ORDINANCE TO REGULATE CERTAIN OCCUPANCIES AND USES OF COUNTY RIGHT-OF-WAY
The Board of Supervisors of Wright County, Iowa, is considering passing and adopting a proposed Ordinance No. 66. Pursuant to Iowa Code § 331.302(6)(b), the Board authorized and directed the County Auditor to publish a summary of the proposed Ordinance No. 66 in advance of the public hearing thereon and the Board's first consideration thereof.
Accordingly, this publication is a summary of proposed Ordinance No. 66. This summary is made in accordance with standards set out in Iowa Code § 331.302(8) for published summaries of county ordinances. Copies of the full proposed Ordinance No. 66 are available at the County Auditor's office, located at the Wright County Courthouse, 115 North Main Street, Clarion, Iowa, and during normal business hours: Monday thru Friday, 8:00 A.M. to 4:00 P.M.
The title of proposed Ordinance

No. 66 is: AN ORDINANCE REPEALING AND REPLACING WRIGHT COUNTY ORDINANCE NO. 18, AN ORDINANCE TO PROTECT AND REGULATE SECONDARY ROAD RIGHT-OF-WAY, AND ENACTING A NEW RIGHT-OF-WAY CONTROL ORDINANCE TO REGULATE CERTAIN OCCUPANCIES AND USES OF COUNTY RIGHT-OF-WAY.
A synopsis of the essential elements of the proposed ordinance is as follows.
If enacted, proposed Ordinance No. 66 would amend existing Wright County Ordinance No. 18, An Ordinance to Protect and Regulate Secondary Road Right-of-Way, by repealing and replacing it with a new right-of-way control ordinance to regulate certain occupancies and uses of County right-of-way, as the Board of Supervisors maintain jurisdiction and control over the County's secondary roads and accompanying road and highway rights-of-way.
The proposed ordinance makes legislative findings recognizing the importance of County road and highway rights-of-way, the primary purpose of County road and highway rights-of-way, the need to properly manage County road and highway rights-of-way, and the availability of County road and highway right-of-way for partial oc-

cupancy and use by various private, non-vehicular facilities.
The proposed ordinance sets forth its intended purpose, including establishing County road and highway right-of-way policy and procedures for managing occupancy and use of said rights-of-way, recovering and allocating costs associated with road and highway right-of-way occupancy and use, as well as providing for enforcement of the County's right-of-way control ordinance, among others.
The ordinance defines certain terms used within its provisions.
The proposed ordinance provides that all persons seeking to place or maintain facilities, as defined therein, within the County's road or highway right-of-way, with an exception to its applicability for public utilities, as defined therein. The proposed ordinance requires such persons to obtain a Right-of-Way Occupancy and Use Permit from the County. All non-permitted occupancies and uses of County road or highway right-of-way, as falling within the scope of the proposed ordinance, are prohibited, along with the creation of obstructions, as defined therein, within the right-of-way.
The proposed ordinance establishes the requirements and procedures for applying for a Right-of-Way Occupancy and Use Permit from the County, including

the following: permit duration, permit fees, application requirements, application approval and denial, permit issuance, permit revocation, orders to remove facilities, and associated notices, hearings, and appeals, among others. The proposed ordinance addresses the failure of an applicant to secure a Right-of-Way Occupancy and Use Permit or the failure of a permittee to renew or comply with a permit or the ordinance, including the obligation to correct a failure or violation and the authority of the County to remove or disconnect a facility at the permittee's cost. Under the proposed ordinance, Right-of-Way Occupancy and Use Permits may not be transferred without the Board of Supervisors' approval. Further, a permittee may not change its intended use of its permitted facilities without reapplying for a new permit. Amendments to permits may be made with Board approval.
The proposed ordinance requires a holder of a Right-of-Way Occupancy and Use Permit to notify the County Engineer of any non-emergency work or construction in advance in writing. Upon notification, the County Engineer would direct the permittee to request a Work Permit, if applicable. The County Engineer would administer Work Permits, including fees and the granting of any waivers. Under the

proposed ordinance, all permittees conducting work in the County's road and highway right-of-way must adhere to the construction standards established by the proposed ordinance. These standards include worksite practices, requirements related to other facilities, nearby structures, and other uses of the right-of-way, a construction season, necessary work inspections and reports, excavation, backfilling, and boring requirements, a construction schedule requirement, and project coordination and administration requirements, among others.
The proposed ordinance also establishes various requirements for persons placing facilities within the County's road or highway right-of-way, as well as requirements for relocating facilities within the County's road or highway right-of-way. The proposed ordinance imposes obligations upon a holder of a Right-of-Way Occupancy and Use Permit to restore the County's road and highway rights-of-way that are disturbed or damaged during a permittee's work, and the consequences for failing to complete such restoration. Additionally, the ordinance would require applicants for and permittees of a Right-of-Way Occupancy and Use Permit to reimburse the County for various costs, when applicable. The proposed ordinance also imposes certain insurance re-

quirements on permittees owning and operating facilities in the County's road or highway right-of-way.
The proposed ordinance allows for the waiver of Right-of-Way Occupancy and Use Permit requirements by the Board of Supervisors when a party requesting a waiver meets certain criteria.
The ordinance also provides for its enforcement through county infractions, injunctions, or other remedies available by law. If a party were found to have violated the ordinance in a county infraction proceeding, the ordinance sets the following civil penalty:
Any person found to have violated the provisions of this Ordinance shall be fined up to \$250. Each twenty-four-hour period is a separate and distinct violation.
Finally, the proposed ordinance requires permittees to indemnify and hold harmless the County against any and all claims, demands, or suits in connection to the permittee's occupancy and use of County road and highway right-of-way.
Specific requirements are included within the full copy of the proposed ordinance.
Ordinance No. 66, if adopted, would become effective after its final passage, approval and publication, pursuant to Iowa Code § 331.302(8).
